“ I can remember October 1978, the first time I met Shawn. We were in kindergarten, he was in the opposite class I was in but I can remember the first time we saw each other, the first question we both asked....”who’s your favorite pro football team”. We both replied “the Steelers” and an instant friendship was made. It just so happened that we rode the same bus too. Talk about excited! We spent hours on the phone going over all of our 53,871 football cards once a week (individually). When GI joe came out we had forts built everywhere, we couldn’t wait to beat cobra ourselves. From 3rd grade to high school Shawn Ryan and myself proudly formed the Pittsburg redskins (now the Pittsburg commanders) and played whoever wanted a piece of us on the playground. My best man at my wedding and also the keg supervisor, man I miss those days. You were a brother to me for years and I’ll never forget the great times we had. Piece be with you Shawn, when we meet again, be ready to go on a post route, I’ll hit you deep.

“ We were an odd pair to become friends but we clicked and remained friends for over 20 years. Our funniest memory was walking into an establishment you said would be fun to visit and everyone in there was 65+. The whole place got silent and they all looked at us. We politely walked out the door. We had a lot of fun hanging out and I will always remember Artsposure and having fun listening to music and watching my little girl dance around the stage.

“ Shawn, you were always up for friends, fun times, food, & football. We made so many awesome memories over the past 14 years, from the Annual OSU Triangle Alumni Potluck Picnic, camping at Kerr Lake for July 4th, Cinco de Mayo parties, hiking around Umstead, watching football/basketball games, playing Yahtzee & cards, all the cook outs, to exploring downtown Raleigh. You were also so patient with our kiddos and their 847 questions they always had for you! Your friendship to Todd and me was special Buddy! You will be missed. We will cherish all the memories during this sad time. May you Rest In Peace.

“ I often recall and share the tales of the ‘Summer of Shawn’. We spent a summer trying to visit all of the local establishments in Dubuque Iowa one summer. It was a valiant effort and created memories that will always be with me. Shawn had endless energy and a great sense of humor. I will remember his half smirk smile and laugh.
