Victor DiDonato passed at peace on October 19, 2021. Born in Genoa Italy, 7th of 10 children , was predeceased by his parents Eugenio & Grazia as well as 8 of his siblings. He is survived by his youngest brother John , loving daughter Victoria and beloved wife Joan.

He has been guided to heaven on the wings of his children Frank and Donna. Victor was a loving grandpa to his step grandchildren Peter and Nicolas . His step daughter Madeline along with her husband Vin loved him deeply and were a constant source of support throughout his life with their family . My spouse Georgia loved my dad dearly and has been my source of strength and support over the years anytime I needed her . My father was my rock throughout my life and I will cherish all the wonderful memories in my heart forever. His outgoing personality was infectious , always the "jokester" making everyone he met smile and was always the life of the party at our family celebrations! . His exuberance for life and selfless personality will always be remembered by anyone who had the pleasure of knowing him.

His final burial place will be with his children in Long Island National Cemetary and the burial ceremony will be conducted with military honors on:
