

William Wilson

July 5, 1962 - October 31, 2019

“In the blink of an eye, something happens by chance- when you least expect it - sets you on a course that you never planned, into a future you never imagined.” Nicholas Sparks

Beloved husband, father, brother, uncle and friend, “Bill”, William Arthur Wilson passed away unexpectedly on October 31, 2019 at home in Selma, North Carolina at the age of 57.

He was born on July 5, 1962 in Anne Arundle County Maryland to Charles Thomas Wilson and Billie June Wilson. He had fond memories of living in Okinawa as a child and playing on the creek beds of Taloga, Oklahoma. On August 22, 1992 he married Carlee Sue Wilson in Stillwater, Oklahoma at a little chapel on the OSU campus. They shared a very happy marriage of 27 years that included many adventures together.

Bill was a wonderful father to four children who he saw as his ‘greatest gifts’. He was a ‘serious’ Chicago Cubs fan whose loyalty to the team never failed. He loved to fly fish, cook on the grill and read when he had the time. His love of history is ingrained in his life and family and ‘his history’ will be told through his children and all who knew him.

He leaves to cherish his memory, his wife: Carlee Sue Wilson of Selma, NC; children: Alexander Wilson of Virginia, Carlee June Wilson, Abigail D. Wilson and William T. Wilson

of Selma, NC; brother: Tom Wilson and Family of Louisville, Kentucky; sisters: Cecelia Squires and Family of Longview, Texas, Charlotte Smith and Family of Albany, Oregon and Beverly Reinschmidt and Family of Weatherford, OK; Aunt: Ann Boden and family of San Diego, California; as well as many brother and sister's in laws, cousins, nieces and nephews.

He was preceded in death by his grandparents; parents: Charles Thomas Wilson and Billy June Wilson; brother in laws: Mitch Reinschmidt, Richard DeFever and Charley McGuire.

Bill will be laid to rest during a graveside ceremony in Newalla, Oklahoma at Pilgrims Rest Cemetery.

He will be greatly missed.

“ Very sorry to hear about Bill. He and i worked together back in the early 2000s at PWC. Easily one of the funniest and friendliest people I've had the chance to meet. This picture is from a kentucky derby weekend, and we both decided we needed to have appropriately crazy hats. His was better, it had a nicer antenna. RIP, very sorry i was not able to stay in touch , you are missed.

“ I have fond memories of Uncle Bill. The one that I remember most was sword fighting with him when I was little. I had just the one plastic sword and scabbard. Bill would let me use the Sword and he would use the scabbard.

Bill is missed, but not forgotten

“ We knew Bill by way of the lovely children he has contributed to the world together with his admirable wife, Sue. I remember his adopting a silly voice to lighten the moods of our two very nervous daughters as we all stood in line one early morning for the start of school testing, brightening their pale little faces with big smiles and giggles and putting some energy into their postures as they marched off to face those standardized tests. His sudden loss is a cutting reminder to all us of how random and cruel this human condition can feel. But we can also be inspired by the richness and beauty that his efforts as a family man, even when cut short, have added, and will continue to add, to the lives of every person lucky enough to be connected to the loved ones he has left behind.
